

# PLATINUM JUBILEE LUNCH

If you were at the Jubilee lunch we hope you enjoyed it as much as we did. We were so pleased that we had such a great turnout. The atmosphere was great, everyone was chatting, lots of food was eaten and we had chance to raise a glass to The Queen.

There are so many thank you's to pass on as it was a genuine community event.

The VH committee, Parish Council and a grant from the ERYC contributed to the cost, so we were able to only charge a nominal amount for tickets.

Thank you to our anonymous benefactor who made it possible for us to 'upgrade' from half a hog to a whole hog. We had generous portions and there was some to spare to take home.

Our cake table was laden with amazing goodies, it was hard to decide what to try. Thank you for all the generous donations. They went down a treat.

We had a band of volunteers who decorated the hall, put up gazebos and set up tables and chairs, helped at the event itself and finally, the worst bit - sorted, cleaned, took down and put everything away the following day. We much appreciated the help, thank you to you all. We had a great time when we went shopping for all the supplies and Heather's van almost floated back to the village after we'd collected the balloons. It was just a shame we couldn't do a tasting before we bought the wine. We did try a sneaky Pimms though - just to make sure we had the right mix! Thanks also to Steph and Jamie for their MC duties!

And after a slow start the ukulele band found their feet and got us up on our feet and we danced and sang to end the event. Whenever they thought they'd finished, we shouted for more and they continued. So, we all went home exhausted but happy we'd had a great afternoon.

It was a true community event and confirmed to everyone that we live in great place and we certainly know how to have a good time. We have had some great feedback on the event. Let's do it again!

Thank you
